INFORMATION DISCLOSURE STATEMENT

Respectfully submitted herewith is a copy of a European Patent Office Search Report (3 pages) together with copies of its 4 cited references. A fifth reference, which is disclosed and discussed on pages one and two of the specification, is also submitted herewith.

In the European Patent Office Search Report the references listed with an A mean these references define the technological background, with respect to the listed claims. The references listed in category X mean these documents are of particular relevance considered alone, with respect to the listed claims. The references listed in category Y mean these documents are of particular relevance in connection with another document of the same category, with respect to the listed claims. The reference

"Einschlägige Dokumente" means relevant documents, "Kategorie" means category, "Kennzeichnung des Dokuments mit Angabe, soweit erforderlich, der massgeblichen Teile" means designation of the documents with statements as far as necessary of the relevant parts, "Betrifft Anspruch" means concerning claim, "Spalte" means column, "Zeile" means line, "Ansprüche" means claims, and "Zusammenfassung" means abstract or summary and "Abbildungen" means Figs. or illustrations. Since this translation now points out in English the relevant portions of the citations listed in the European Patent Office Search Report, and the two US patents, the European reference and the WO Abstracts are in the English language, no further concise explanation is required.

A certification under 37 CFR 1.97(e) is presented herewith.

A PTO-1449 form is presented to list all 5 references, all of which are enclosed herewith. Translations of these German language references are not available to the undersigned.

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted
